EXPERIENCE

2016 – 2017

Full-Stack Intern • Right Financial Advisor • Holbrook, NY

- Helped create a new, mobile-responsive retirement risk application.
- Use of JQuery and Bootstrap to make applications in addition to site customization and maintenance.

2015

Web Developer Intern • Moka Graphics • Port Jefferson, NY

- Assisted in front-end web development for local graphic design company.
- Use of WordPress and FTP clients along with CSS, PHP, and Javascript to serve local companies.

2019 - 2020

Data Collection • The Warren Group • Suffolk County, NY

- Review the assigned data and research and collect additional data on “research” records.
- Accurately and efficiently enter data into a form database in company-issued computer net book. Then transmit data electronically to The Warren Group’s corporate office by deadlines.

EDUCATION

Stony Brook University, Stony Brook, NY

Bachelor’s of Science in Computer Science

Expected Graduation: May 2022
